

**DSA String Orchestra Program
Media Release Form
2017-2018**

Throughout the year, the DSA String Orchestra Program uses photography and video in the classroom and at performances. First names may rarely be used in these publications, however, last names will remain confidential. Videos, photos and first names may appear on, but are not limited to, the following:

- The DSA website
- The DPS website
- The DSA String Orchestra Program website
- The DSA String Orchestra Program YouTube channel
- The DSA String Orchestra Program Facebook page
- Promotional videos for potential new students to DSA

These projects are designed to enhance learning on a daily basis, in addition to being used as a medium to publicize the many accomplishments of the DSA String Orchestra Program to the surrounding community.

We would like to include all DSA String students in these endeavors. However, we understand that some students and their families may not be comfortable with this situation, and would prefer not to be included in this type of publication.

Please complete the media release below, by granting or denying permission for the DSA String Program to include your student and their first name in video, photo or internet projects.
